The Wheeler Centre presents global romantasy sensation Lauren Roberts in Melbourne

Globally bestselling romantasy author Lauren Roberts, creator of the smash-hit *Powerless* series, will appear in conversation at Melbourne Town Hall for an exclusive, one-night-only event hosted by The Wheeler Centre this June.

With millions of fans on TikTok and beyond, Roberts' *Powerless* series has swiftly emerged as a breakout success and a defining title in the new wave of BookTok-fuelled fantasy fiction. Now, the *Powerless* phenomenon meets its monumental conclusion with Lauren travelling to Australia off the back of the release of the beloved trilogy's highly anticipated third and final book earlier this month.

Following the epic introduction to the Kingdom of Ilya in *Powerless* and after the shocking cliff-hanger ending of *Reckless*, *Fearless* sees Paedyn Gray and Kai Azer return to the city where Paedyn has a life-altering choice to make. Whatever she decides will determine her fate – and the fate of those around her – forever. In the ultimate battle of love and loyalty, who wins?

Appearing in-person at Melbourne Town Hall, Roberts will dig deeper into the high stakes world of her novels – from her fiercely independent heroine, Paedyn, to the deliciously fraught enemies-to-lovers plot that has come to capture the hearts of millions of readers across the world.

Reflecting on her early love of reading through to cultivating a global fandom, Roberts will share insights into her creative process, how social media shaped her career, and what might be next as she says goodbye to the *Powerless* series.

Tickets are on sale now via wheelercentre.com

Pre-signed books and Deluxe Collectors Edition Hardbacks will be available for sale by Readings at the event.
